SUSTAINABILITY AND WELLBEING

THE PERFECT SYNERGY

The scheme is targeting BREEAM Excellent and EPC A rating and will also include electric car charging points, PV's and roof lights to the warehouse space. Energy-efficient lighting, heating and cooling will be installed to encourage reduced energy consumption above Part L Regulations.

The facility is located on the edge of the Somerset Levels and Quantock Hills and there are plenty of attractions nearby (Cheddar Gorge, Glastonbury Tor, Wookey Hole). Also, within a 5-minute drive is the thriving seaside town of Burnham-on-Sea with its beaches, pier and theatre. Other amenities nearby include the Burnham Golf Driving Range and the Windmill Bar & Bistro.

DEVELOPER AND FUNDER

Cubex Land is a Bristol-based development and property company operating throughout the South West of England and South Wales. The company was launched in 2004 and has undertaken a diverse range of projects in terms of location, market sector, risk profile and deal structure.

Cubex Land is partly owned by Fiera Real Estate which focuses on both creating and actively managing core assets for investors. The UK business was founded in 1992 (as Palmer Capital) and directly manages around £800million of third-party capital investing solely into UK real estate projects, as well as being a minority shareholder in eight of the UK's leading property companies. Cubex is one of these companies.
